March 4th is the deadline for American service members and veterans to sign up for retroactive stop loss payments, for extended service from Sept. 11, 2001 through Sept. 30, 2009, that Congress provided in 2009. We must get the word out so these soldiers and veterans do not miss out on payments they have earned through service. For more information, follow this link: http://www.vetcenter.va.gov/Retroactive_Stop_Loss_Pay_RSLSP.asp
