Washington, DC—Today, Congressman Olver released the following statement in reaction to Congressman Barney Frank announcing his decision not to seek reelection at the end of the 112th Congress:

For over thirty years, Congressman Barney Frank has worked hard to represent and serve the people of Massachusetts. He has been a tireless advocate for better housing, financial services reform and civil rights. A champion for working and middle class families, Barney has worked to protect consumers and create affordable housing opportunities.

It has been an honor to serve alongside Congressman Frank and a privilege to call him a friend.
