

Washington - Today, Congressman John Olver (1st District) announced that the U.S. Department of Housing and Urban Development has awarded \$490,000 in funding to Nueva Esperanza and Youth Build Holyoke for the construction of affordable housing. The program is part of the U.S. Department of Housing and Urban Development's Youth Build program, which provides training and employment opportunities for young people while they help build affordable housing. The program is part of the U.S. Department of Housing and Urban Development's Youth Build program, which provides training and employment opportunities for young people while they help build affordable housing.

"Nueva Esperanza and Youth Build Holyoke deserve a great deal of credit for providing this opportunity to our community. Youth Build Holyoke works with young people to build affordable housing. The program is part of the U.S. Department of Housing and Urban Development's Youth Build program, which provides training and employment opportunities for young people while they help build affordable housing. The program is part of the U.S. Department of Housing and Urban Development's Youth Build program, which provides training and employment opportunities for young people while they help build affordable housing."

"I had the opportunity to tour a construction site and meet some of the Youth Build Holyoke participants. It was inspiring to see the dedication and hard work of these young people. The program is part of the U.S. Department of Housing and Urban Development's Youth Build program, which provides training and employment opportunities for young people while they help build affordable housing. The program is part of the U.S. Department of Housing and Urban Development's Youth Build program, which provides training and employment opportunities for young people while they help build affordable housing."
